## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Public Safety - Office of the Director** assume this proposal will have no fiscal impact on their office.

According to officials from the **Office of Secretary of State (SOS)**, many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the proposal. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500.

**Oversight** assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process. Any decisions to raise fees to defray costs would likely be made in subsequent fiscal years.

Officials from the **Missouri Veterans Commission** state that according to Department of Defense data through October 31, 2010, there are 3,763 total Active Duty Missourians in the Army, Navy, Marine Corps, Air Force, and Coast Guard. In addition, there are 1,171 Guard/Reservists with a legal residence/home address as Missouri.

Officials from the **Department of Revenue (DOR)** made the following assumptions regarding the fiscal impact of this legislation on their agency:

### Administrative Impact

Driver License Bureau

The proposed changes will require the DOR to:

- Draft updates to web site information.
- Draft updates to Mail-In renewal form for members of the armed forces and their dependents.
- Draft updates to printed and electronic versions of the driver guide.

DOR assumes changes to the driver guide will be included upon next review and reorder and will not require additional costs for destruction of the prior manuals and reissuance of updated manuals.

ASSUMPTION (continued)

DOR estimates costs for requirements development, design, form updates, and testing in FY 12 as follows:

Administrative Analyst -	10 hrs @ \$24 (1 ½) per hr	\$ 240
Management Analysis Specialist II -	20 hrs @ \$23 per hr	\$ 460
Revenue Band Manager -	10 hrs @ \$30 per hr	<u>\$ 300</u>
	Total	\$1,000

DOR estimates costs for Personnel Services Bureau to update forms, web site and driver guide information in FY 12:

Administrative Analyst III	20 hours@ \$22 per hr	\$ 440
2 Management Analysis Specialist I -	80 hours@ \$21 per hr	<u>\$1,680</u>
	Total	\$2,120

**Oversight** assumes DOR is provided with core funding to handle a certain amount of activity each year. **Oversight** assumes DOR could absorb the personal service costs related to this proposal. If multiple bills pass which require additional staffing and duties at substantial costs, DOR could request funding through the appropriation process.

Officials from the **Missouri National Guard** did not respond to a request for fiscal note.
