FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions, and Professional Registration (DIFP)** state some changes to the department's licensure system and forms may be necessary under the provisions of this bill. The DIFP believes these can be handled within current appropriation levels; however should the cost be more than anticipated, the DIFP would request an increase to its appropriations through the budget process.

FISCAL IMPACT - Small Business

The proposal would have a direct fiscal impact on small business title agencies and title agents if they do not maintain a physical place of business in the state of Missouri.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
