FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of Administration, Department of Agriculture, Department of Economic Development, Department of Insurance, Financial Institutions and Professional Registration, Missouri House of Representatives, Department of Natural Resources, Office of the Governor, Office of State Auditor, Missouri Senate and Office of State Treasurer** assume the proposal would have no fiscal impact on their agencies.

Officials from the **Office of Secretary of State (SOS)** state the fiscal impact for this proposal is less than \$2,500. The SOS does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the SOS can sustain within its core budget. Therefore, the SOS reserves the right to request funding for the costs of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the Governor.
