FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the State Courts Administrator** assume the proposal would have no fiscal impact on the courts.

Officials from the **Department of Social Services** state this legislation specifies that for the removal of custody of a child, or for the termination of parent rights, from the parent, the availability and use of accommodations for the disability, including assistive technology and support services, must be considered before a determination is made that a child is in need of care. The Children's Division does not anticipate fiscal or programmatic impact.
