## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Agriculture, Office of Administration (COA) - Division of Budget and Planning, Office of State Courts Administrator, Department of Elementary and Secondary Education, Department of Higher Education, Department of Insurance, Financial Institutions, and Professional Registration, Department of Natural Resources, Department of Corrections, Department of Health and Senior Services, Department of Labor and Industrial Relations, Department of Revenue, Department of Social Services, Missouri Department of Transportation, Department of Public Safety (DPS) - Division of Fire Safety, DPS - Missouri Gaming Commission, DPS - Missouri State Highway Patrol, Office of the Governor, Missouri Senate, Office of State Treasurer, City of Kansas City, City of Raytown, Parkway School District, Kansas City Metropolitan Community College, Missouri State University, Northwest Missouri State University, University of Central Missouri, Linn State Technical College and University of Missouri** assume the proposal would have no fiscal impact on their agencies.

Officials from the **Office of Attorney General** assume any potential costs arising from this proposal can be absorbed with existing resources.

Officials from the **Department of Mental Health (DMH)** state the proposed legislation eliminates the Commission on the Special Health Psychological and Social Needs of Minority Older Individuals and the Suicide Prevention Advisory Committee. The DMH provides support to both the commission and committee by answering questions through regular channels, however, there is no specific funding dedicated to support them. Therefore, the DMH assumes there would be no fiscal impact if the proposed legislation were passed.

In response to an earlier version of this proposal, officials from the **COA - Administrative Hearing Commission** assumed the proposal would not significantly alter its caseload.

Officials from the **Joint Committee on Administrative Rules** assumes the proposal would have no impact beyond its current appropriations.

Officials from the **Missouri Department of Conservation (MDC)** assume the proposal would have a minimal fiscal impact on the MDC as some staff time would likely be involved.

**Oversight** assumes the MDC could absorb the minimal fiscal impact within existing funding levels.

ASSUMPTION (continued)

Officials from the **Office of Secretary of State (SOS)** state the fiscal impact for this proposal is less than \$2,500. The SOS does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the SOS can sustain within its core budget. Therefore, the SOS reserves the right to request funding for the costs of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the Governor.

In response to an earlier version of this proposal, officials from the **Department of Economic Development (DED) - Business and Community Services Division** stated the proposed legislation enacts the Community Services Commission Act and assigns the Missouri Community Services Commission to the DED under Section 620.580 - 620.592. It also creates the Community Services Commission Fund and allows the fund to receive appropriations, grants, gifts, etc. The DED assumes an unknown negative impact as a result of the legislation but is unable to determine whether or not this impact is over or under \$100,000 because the appropriation amount is unknown.

Further, the proposed legislation transfers the powers of the Seed Capital Investment Board to the Missouri Technology Corporation under Section 620.638. The DED assumes no fiscal impact on this revision.

Officials from the **Missouri House of Representatives, Office of Lieutenant Governor and State Tax Commission** did not respond to **Oversight's** request for a statement of fiscal impact.

No other city, county, school, college/university, or court official responded to **Oversight's** request for a statement of fiscal impact.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposal creates the Community Services Commission and assigns it to the Department of Economic Development. The commission shall include fifteen voting members appointed by the governor with the advice and consent of the senate. Commission members receive no compensation but will be reimbursed for ordinary and necessary expenses incurred in the performance of their duties.

A Community Service Commission Fund is created in the state treasury. The state treasurer shall deposit to the credit of the fund all moneys which may be appropriated to it by the general assembly and also any gifts, contributions, grants, bequests, etc. The general assembly may appropriate moneys into the fund for the support of the commission and its activities. Moneys in the fund shall not refert to the credit of the general revenue fund at the end of the biennium.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
