FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the State Courts Administrator, Department of Revenue, Department of Public Safety - Missouri Highway Patrol, and the Department of Economic Development (Public Service Commission and Office of Public Counsel)** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Attorney General's Office (AGO)** assume that any potential costs arising from this proposal could be absorbed with existing resources. The AGO may seek additional appropriations if there is a significant increase in enforcement activity.

Officials from the **Office of the Secretary of State (SOS)** state many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with the core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Oversight assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process. Oversight also assumes SOS could absorb the cost of registration of political solicitations costing more than \$500.

Officials from the **Department of Transportation** and the **Missouri Ethics Commission** did not respond to our request for fiscal impact.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

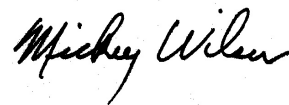

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
