## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Revenue, Department of Public Safety - Missouri Highway Patrol, Department of Transportation, Department of Insurance, Financial Institutions and Professional Registration** and **Office of the State Courts Administrator** each assume the proposal will have no fiscal impact on their respective organizations.

In a response to a previous version of this proposal, officials from the **Boone County Sheriff's Department** and **Department of Public Safety - Director's Office** assumed the proposal would not have a fiscal impact on their respective organizations.

Officials from **Platte County, St. Francois County, Warren County** and the **St. Louis County Sheriff's Department** did not respond to a request for fiscal impact.

Officials from the **Joint Committee on Administrative Rules** state this legislation is not anticipated to cause a fiscal impact beyond its current appropriation.

Officials from the **Office of the Secretary of State (SOS)** assume many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the Secretary of State's Office for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, we also recognize that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what our office can sustain with our core budget. Therefore, we reserve the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.
