FISCAL ANALYSIS

ASSUMPTION

Officials at the **Alcohol & Tobacco Control, Budget and Planning, Capitol Police, Department of Conservation, Department of Economic Development, Department of Elementary and Secondary Education, Department of Health and Senior Services, Department of Higher Education, Department of Insurance, Financial Institutions and Professional Registration, Department of Labor and Industrial Relations, Department of Mental Health, Department of Revenue, Department of Social Services, Fire Safety, Joint Committee on Administrative Rules, Joint Committee on Public Employee Retirement, Missouri Consolidated Health Care Plan, Missouri Ethics Commission, Missouri Highway Patrol, Missouri Gaming Commission, Missouri Lottery, Missouri House of Representatives, Missouri Senate, MoDOT & Patrol Employees' Retirement System, Office of Administration, Office of the Governor, Office of Prosecution Services, Office of State Courts Administrator, Office of the State Auditor, Office of the State Public Defender, Office of State Treasurer, State Emergency Management Agency and the State Tax Commission** assume there is no fiscal impact from this proposal.

Officials at the **Office of Attorney General (AGO)** assume that any potential costs arising from this proposal can be absorbed with existing resources. AGO may seek additional appropriation if there is a significant increase in the number of cases referred to the AGO.

Officials from the **Office of the Secretary of State (SOS)** state many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with the core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Oversight assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process.
