FISCAL ANALYSIS

ASSUMPTION

§ 49.266 - Natural or Man-made Disaster Ordinances:

Officials from the **Department of Public Safety - Missouri State Emergency Management Agency**, **Department of Conservation**, and **Office of Secretary of State** each assume the proposal would not fiscally impact their respective agencies.

In response to the previous version of this proposal, officials from **Department of Public Safety - Division of Fire Safety**, **Department of Natural Resources**, **St. Louis County** assumed the proposal would not fiscally impact their agency.

Oversight assumes the proposal is permissive and, for fiscal note purposes only, will show no direct fiscal impact from this proposal on local government funds.

Officials from numerous counties and fire districts did not respond to **Oversight's** request for fiscal impact.

FISCAL IMPACT - Small Business

Direct fiscal impact to small businesses that sell fireworks would not be expected, as a result of this proposal, since their ability to sell fireworks will not be affected by the issuance of a burn ban order.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
