FISCAL ANALYSIS

ASSUMPTION

§§ 71.012, 71.014, 71.015 - Annexation:

Oversight assumes these sections relate to annexation procedures and there is no direct fiscal impact from these proposed sections on state or local government funds.

§ 71.285 - Removal of Weeds and Trash:

In response to similar legislation from 2013 (SCS for HB 60), officials at the **City of Farmington** assumed this proposal would have no measurable fiscal impact on the City. The proposal reduces the direct labor and administrative expense related to enforcement of nuisance property ordinances. The only fiscal affect will be to improve the efficiency of police operations related to those offenses.

In response to similar legislation from 2013 (SCS for HB 60), officials from the **City of Perryville** expect to realize a small amount of savings from system efficiencies resulting from this proposal.

Oversight assumes the cities of Farmington and Perryville may recoup costs from the property owner if the city removes trash and weeds from a property with more than one violation within a calendar year.

Oversight assumes this section may result in a minimal savings to the cities of Farmington and Perryville. However, for the purpose of the fiscal note, Oversight assumes no direct fiscal impact from this section on local government funds.

§ 77.675 - Passage of Ordinances in the City of Farmington:

Oversight assumes this section authorizes the city council of the City of Farmington to also adopt or repeal any ordinance by submitting the proposed ordinance to the registered voters of the city at the next municipal election.

Oversight assumes there is no measurable fiscal impact from this section of the proposal since the section requires action on the part of the voters in the City of Farmington.

ASSUMPTION (continued)

Bill as a Whole:

Officials from the **Office of Secretary of State** assume the proposal would not fiscally impact their agency.

Officials from numerous county recorders did not respond to **Oversight's** request for fiscal impact.

<u>FISCAL IMPACT - Local Government</u>	FY 2014 (10 Mo.)	FY 2015	FY 2016

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
