## FISCAL ANALYSIS

### ASSUMPTION

Officials at the **Office of the Governor** assume there is no fiscal impact from this proposal.

Officials at the **Office of the Secretary of State** assume this proposal requires a special election to be called if a vacancy occurs in the office of Lieutenant Governor. If a special election is called to fill the vacancy by putting forth a vote of the people, Section 115.063.2, RSMo, requires the state to pay the costs. The cost of the special election has been estimated to be \$7.1 million based on the cost of the 2012 Presidential Preference Primary.

Officials at the **Office of the Lt. Governor** did not respond to Oversight's request for fiscal impact.

It is unclear if and when a special election would occur to fill the vacancy in the Lt. Governor position. **Oversight** will reflect a \$0 (no elections called) or More than \$7.1 million (a special election called) in each fiscal year. The decision made by the Joint Committee on Legislative Research, is that the potential cost of special elections should be reflected in fiscal notes.
