FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Public Safety - Missouri Highway Patrol, Office of the State Courts Administrator, Office of Prosecution Services, and the Office of the State Public Defender** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Department of Corrections (DOC)** state penalty provisions for violations, the component of the bill to have potential fiscal impact for DOC, is for a class A misdemeanor. Currently, the DOC cannot predict the number of new commitments which may result from the creation of the offense(s) outlined in this proposal. An increase in commitments depends on the utilization by prosecutors and the actual sentences imposed by the court.

If additional persons are sentenced to the custody of the DOC due to the provisions of this legislation, the DOC will incur a corresponding increase in operational cost through supervision provided by the Board of Probation and Parole (FY11 average of \$5.03 per offender, per day or an annual cost of \$1,836 per offender).

In summary, supervision by the DOC through probation would result in some additional costs, but it is assumed the impact would be \$0 or a minimal amount that could be absorbed within existing resources.

In response to a similar proposal from 2011 (HB 729), officials from the **Jefferson City Police Department, Springfield Police Department, Boone County Sheriff's Department, and the Columbia Police Department** each assumed the proposal would have no fiscal impact on their respective law enforcement agencies.

<u>FISCAL IMPACT - State Government</u>	FY 2014 (10 Mo.)	FY 2015	FY 2016
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2014 (10 Mo.)	FY 2015	FY 2016
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

Small business scrap dealers that accept catalytic converters would be required to keep additional information in their registry as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
