FISCAL ANALYSIS

ASSUMPTION

§8.012 - Honor and Remember flag

Officials from the **Office of Administration - Division of Facilities Management, Design and Construction** were unable to determine the cost factor of this section.

Officials from the **Department of Natural Resources** assumed no fiscal impact to their agency.

Oversight assumes the language in this section is permissive and, for fiscal note purposes only, will assign no fiscal impact.

§173.1150 - Military resident student status

Officials from the **Department of Higher Education (DHE)** state this proposal is not anticipated to have any direct, foreseeable fiscal impact on their agency; however, granting groups of students certain tuition rates which may be lower than the rates currently charged to those students could have a negative fiscal impact on the tuition revenue collected by public institutions of higher education in this state. Not knowing the number of students to which this might apply or what institutions those students might attend, makes it difficult to project an actual cost as individual institution tuition rates differ. DHE will defer to those institutions for responses on how the proposal might fiscally impact them.

Officials from **Linn State Technical College** state this proposal will have an unknown fiscal impact on their college.

Officials from the **University of Missouri System** state this proposal is estimated to cost approximately \$100,000 per year.

Officials from **Lincoln University** estimate this legislation may cost \$60,000 annually.

Officials from **Missouri Southern State University** assume an indeterminate fiscal impact.

Officials from **Northwest Missouri State University** assume there will be fiscal impact, but cannot quantify or project the impact without knowing the exact number of military members who will enroll as a result of this proposal.

ASSUMPTION (continued)

The **University of Central Missouri (UCM)** estimates this proposal would have little, if any, fiscal impact on UCM because the university already awards resident status to active duty military personnel, including those separating from the military.

Oversight assumes the cumulative negative fiscal impact on colleges and universities will exceed \$100,000 per year for loss of out-of-state tuition.

According to officials from the **Office of Secretary of State (SOS)**, many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS's office is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to Secretary of State's office for Administrative Rules is less than \$2,500. SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what their office can sustain with their core budget. Therefore, SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Oversight assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal with core funding. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process.

Officials from the **Joint Committee on Administrative Rules, Department of Public Safety - Missouri Veterans Commission and Office of the Director**, and the **Missouri National Guard, Kansas City Metropolitan Community College**, and **Missouri State University** each assume the proposal would not fiscally impact their respective agencies.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

§8.012 - Honor and Remember flag

This section permits the display of the Honor and Remember flag at all state buildings and state parks as an official recognition and in honor of fallen members of the Armed Forces of the United States.

§173.1150 - Military resident student status

This act allows any individual who is separating from the military forces of the United States with an honorable discharge or a general discharge to be considered a resident student for admission and in-state tuition purposes at an approved public four-year institution of higher education or in-state and in-district for admission and tuition at any approved public two-year institution of higher education.

LMD:LR:OD

DESCRIPTION (continued)

The separating military member must demonstrate presence and declare residency within Missouri and shall be been stationed in Missouri for at least one year prior to their discharge and, if attending a community college, shall demonstrate presence and declare residency and shall have been stationed within the taxing district of the community college for at least one year prior to their discharge.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
