Oversight notes the Kansas City Police Department (KCPD) has 2,134 positions listed in their FY 2012-13 budget. Oversight is unable to determine how many KCPD members are within each personnel category, how many are at the top of their salary range, and whether or not the City of Kansas City would provide raises to the members of the KCPD in future years.

Oversight will reflect \$0 to an Unknown cost to the City of Kansas City as a direct result of this proposal.

Officials from the **City of Kansas City** and **Kansas City Police Department** did not respond to **Oversight's** request for fiscal impact.
