**FISCAL ANALYSIS**

**ASSUMPTION**

**§ 67.1010 - Use of Transient Guest Tax in Pettis County:**

Officials from **Pettis County** provided a response to this proposal which indicated that the proposal would lead to increased sales tax revenues. Allowing the Pettis County Tourism Commission to use a portion of the transient guest tax for salaries will insure that tourism marketing for Sedalia and Pettis County will be done in a professional manner. Employing marketing professionals and support staff has the potential to bring in additional visitors for more and larger events from a larger geographical area, therefore increasing sales tax revenues for Pettis county and all the municipalities located therein.

**Pettis County** assumes that an average visitor to the county spends \$58.00 per day and those funds roll over 1.6 times. The county estimates the increase in potential sales tax revenue over a three year period to be \$125,280.

Officials from the **Department of Revenue** assume the proposal would not fiscally impact their agency.

**Oversight** assumes this proposal would remove the current prohibition on using revenues from this tax on salaries. Since this proposal would not increase or decrease revenues or expenditures, it would appear to have no direct fiscal impact on local government funds.

<b><u>FISCAL IMPACT - State Government</u></b>	FY 2014 (10 Mo.)	FY 2015	FY 2016
	<b><u>\$0</u></b>	<b><u>\$0</u></b>	<b><u>\$0</u></b>
<b><u>FISCAL IMPACT - Local Government</u></b>	FY 2014 (10 Mo.)	FY 2015	FY 2016
	<b><u>\$0</u></b>	<b><u>\$0</u></b>	<b><u>\$0</u></b>

FISCAL IMPACT - Small Business

An indirect fiscal impact to small businesses could be expected as a result of this proposal if additional visitors for additional events from a greater geographical area visit Pettis County.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
