Officials from the **Department of Revenue (DOR)** state this proposal may change the documents the Department will review when processing a salvage title or junking certificate transaction for an insurer which purchases a motor vehicle or trailer through the claims adjustment process. The **Department of Revenue - Driver License Bureau** state procedures will need to be revised by a Management Analyst Specialist require 40 hours of overtime at a cost of \$1,206. The Departments website will also need to be updated. This will require 10 hours of overtime for an Administrative Analyst III, at a cost of \$325 in FY `14.

In summary, DOR assumes a cost of \$1,531 (\$1,206 + \$325) in FY 2014 to provide for the implementation of the changes in this proposal.

**Oversight** assumes DOR is provided with core funding to handle a certain amount of activity each year. Oversight assumes DOR could absorb the costs related to this proposal. If multiple bills pass which require additional staffing and duties at substantial costs, DOR could request funding through the appropriation process.
