## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions and Professional Registration** assume the current proposal would not fiscally impact their agency.

In response to the previous version of this proposal officials from the **Attorney General's Office (AGO)** assumed that any potential costs arising from this proposal could be absorbed with existing resources. AGO may seek additional appropriation if there is a significant increase in the number of cases referred to the AGO.

### FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

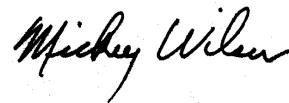

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
