## **FISCAL ANALYSIS**

### **ASSUMPTION**

In response to a previous version of this proposal, officials from the **Office of the Secretary of State (SOS)** assumed many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the Secretary of State's Office for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, we also recognize that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what our office can sustain with our core budget. Therefore, we reserve the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Officials from the **Office of the Attorney General** assume any potential costs arising from a previous version of this proposal this proposal could be absorbed with existing resources.

Officials from the **Office of Administration - Division of Budget and Planning (BAP)** assume this proposal would not result in any additional costs or savings to their organization.

BAP officials noted this proposal would allow a seller to advertise that the required sales tax will be assumed or absorbed into the price of goods or services if the amount of the tax is displayed on the receipt or invoice. BAP officials assume this proposal would have no direct impact on Total State Revenues.

Officials from the **Department of Revenue** assumed a previous version of this proposal would have no fiscal impact on their organization.

Officials from the **Joint Committee on Administrative Rules** assume this proposal would have no fiscal impact on their organization.

**Oversight** assumes this proposal would have no fiscal impact on the state or on local governments.

<u>FISCAL IMPACT - State Government</u>	FY 2015 (10 Mo.)	FY 2016	FY 2017
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2015 (10 Mo.)	FY 2016	FY 2017
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

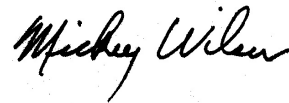

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
