## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **County Employees Retirement Fund** assume the current proposal would not fiscally impact their agency.

Officials from the **Joint Committee on Public Retirement** state that this legislation would not create a substantial proposed change in future plan benefits as defined in Section 105.660(10).

Officials from the **Missouri Local Government Employees Retirement System (LAGERS)** assume this proposal would have no fiscal impact on their agency. The decision to elect LAGERS administration is voluntary to the local governments.

**Oversight** assumes this proposal is discretionary and would have no local fiscal impact without action by the governing body.
