Fiscal Analysis

**Oversight** was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Officials at the **Office of the State Courts Administrator** assume the proposed legislation moves the 12<sup>th</sup> Division of the 16<sup>th</sup> Judicial Circuit Court from the City of Kansas City to the City of Independence. There may be some impact but there is no way to quantify that currently. Any significant changes will be reflected in future budget requests.

Officials at the **City of Kansas City** assume no fiscal impact from this proposal.

FISCAL ANALYSIS (continued)

No direct fiscal impact to small businesses would be expected as a result of this proposal. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
