FISCAL ANALYSIS

ASSUMPTION

Oversight was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Officials from the **Joint Committee on Legislative Research** assume the proposal would not fiscally impact their agency.

In response to similar legislation, SCR 36 (2014), officials from the **Department of Health and Senior Services**, the **Missouri House of Representatives**, and the **Missouri Senate** assumed the proposal would not fiscally impact their organizations.
