FISCAL ANALYSIS

ASSUMPTION

Oversight was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

In response to a similar proposal from this year (HB 218), officials from the **Department of Public Safety - Missouri Highway Patrol**, the **Department of Labor and Industrial Relations**, the **St. Louis County Police** and the **Boone County Sheriff's Department** each assumed the proposal would not fiscally impact their agencies.

In response to a similar proposal from this year (HB 218), officials from the **Attorney General's Office** assume that any potential costs arising from this proposal could be absorbed with existing resources.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

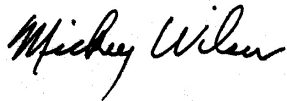

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
