FISCAL NOTE

L.R. No.: 1275-01

Type: Original

Bill No.: SB 217

Date: March 2, 2015

Subject: Health Care; Health Care Professionals; Medical Procedures and Professionals;
Physicians

Bill Summary: This proposal requires certain types of intervention pain management to be performed only by licensed physicians.

State Fiscal Highlights

- No direct fiscal impact on the state is anticipated.

Local Fiscal Highlights

- No direct fiscal impact on local political subdivisions is anticipated.

Fiscal Analysis

Officials from the **Department of Insurance, Financial Institutions and Professional Registration**, the **Department of Health and Senior Services**, the **Department of Social Services**, the **Department of Mental Health**, and the **Missouri Department of Conservation** each assume the current proposal would not fiscally impact their respective agencies.

Officials from the **Department of Public Safety - Missouri Highway Patrol** defer to Department of Transportation for fiscal impact.

Oversight assumes this proposal does not place any new requirements on state agencies and subsequently will not have a fiscal impact on state or local governments.

No direct fiscal impact to small businesses would be expected as a result of this proposal. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
