FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Corrections**, the **Department of Public Safety - Missouri Highway Patrol**, the **Office of the State Courts Administrator**, the **Office of Prosecution Services**, the **Springfield Police Department**, and the **Boone County Sheriff's Department** each assume the proposal would not fiscally impact their respective agencies.

For the purpose of this proposed legislation, officials at the **Office of State Public Defender (SPD)** cannot assume that existing staff will provide effective representation for any new cases arising where indigent persons are charged with the proposed new crime unlawful contact with a victim of a sexual offense.

While the number of new cases (or cases with increased penalties) may be too few or uncertain to request additional funding for this specific bill, the SPD will continue to request sufficient appropriations to provide effective representation in all cases where the right to counsel attaches.

Oversight assumes the SPD can absorb the additional caseload that may result from this proposal.
