FISCAL ANALYSIS

ASSUMPTION

Oversight was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Oversight notes that this proposal does not allow institutions of higher education to deny or enforce any policy that would deny a religious student group any benefit available to other student groups. Oversight assumes this proposal would not have a fiscal impact.

Officials at the **Department of Higher Education** assume there is no fiscal impact from this proposal.

Officials at the **Metropolitan Community College** assume there is no fiscal impact from this proposal.
