FISCAL ANALYSIS

ASSUMPTION

Due to time constraints, **Oversight** prepared the fiscal note for the original bill without some agency responses, and reflected an Unknown loss to the Insurance Dedicated Fund for this bill. Oversight has since received responses from the impacted agencies and has incorporated their estimates into this fiscal note.

Officials from the **Department of Insurance, Financial Institutions and Professional Registration** assume the current proposal would not fiscally impact their agency.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
