Type: Original

Bill No.: SB 312

Date: February 9, 2015

Subject: Alcohol; Licenses - Miscellaneous

Bill Summary: This proposal allows any person licensed to sell liquor in the original package at retail to sell 32 to 128 ounces of draft beer for consumption off the premises.

State Fiscal Highlights

- No direct fiscal impact on the state is anticipated.

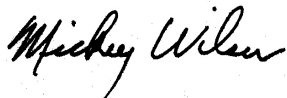

Local Fiscal Highlights

- No direct fiscal impact on local political subdivisions is anticipated.

Fiscal Analysis

Officials from the **Department of Public Safety - Alcohol and Tobacco Control** assume the proposal would not fiscally impact their agency.

Small business that sell intoxicating liquor in the original package could be positively impacted by this proposal if they choose to sell draft beer for consumption off premises. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
