Fiscal Analysis

Oversight was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

In response to similar legislation this year (HB 734), officials at the **Department of Health and Senior Services**, the **Department of Public Safety's Missouri Highway Patrol**, the **Department of Social Services**, the **Department of Mental Health**, the **Office of the State Courts Administrator** and the **Office of Prosecution Services** each assumed no fiscal impact to their respective agencies from this proposal.

FISCAL ANALYSIS (continued)

No direct fiscal impact to small businesses would be expected as a result of this proposal. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
