Fiscal Analysis

In response to a similar proposal from last year, SB 883, officials from the **Department of Insurance, Financial Institutions and Professional Registration** assumed the proposal would not fiscally impact their agency.

Officials from the **Office of the State Courts Administrator** assume the current proposal would not fiscally impact their agency.

No direct fiscal impact to small businesses would be expected as a result of this proposal. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
