## FISCAL ANALYSIS

### ASSUMPTION

**Oversight** was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Officials at the **Kansas City Public Schools** and the **Special School District of St. Louis** each assume there is no fiscal impact to their respective organization from this proposal.

**Oversight** assumes this proposal restricts the personal information that a school service provider can collect regarding students. Oversight assumes this proposal would not have a direct fiscal impact.
