## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of Prosecution Services, Office of the State Courts Administrator, Department of Corrections, and the Department of Public Safety - Missouri Highway Patrol** each assume the proposal would not fiscally impact their respective agencies.

For the purpose of this proposed legislation, officials at the **Office of State Public Defender (SPD)** cannot assume that existing staff will provide effective representation for any new cases arising where indigent persons are faced with the enhanced crime of sexual trafficking of a child to include advertising a child participating in a commercial sexual act.

While the number of new cases (or cases with increased penalties) may be too few or uncertain to request additional funding for this specific bill, the SPD will continue to request sufficient appropriations to provide effective representation in all cases where the right to counsel attaches.

**Oversight** assumes the SPD can absorb the additional caseload that may result from this proposal.

### FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

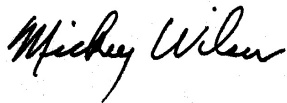

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
