FISCAL ANALYSIS

ASSUMPTION

Officials at the **Office of the Attorney General** assume that any potential costs arising from this proposal can be absorbed with existing resources.

Officials at the **Office of the State Courts Administrator** assume the proposed legislation modifies provisions of law relating to child custody orders. There may be some impact but there is no way to quantify that currently. Any significant changes will be reflected in future budget requests.

Officials at the **Department of Health and Senior Services**, the **Office of the Governor**, the **Department of Social Services**, the **Department of Mental Health** and the **Department of Corrections** each assume no fiscal impact to their respective agencies from this proposal.

Oversight notes this proposal would repeal §454.850 to §454.999 upon the effective date of this proposal. These sections are the 1996 Uniform Interstate Family Support Act. The Uniform Interstate Family Support Act (UIFSA) provides universal and uniform rules for the enforcement of family support orders. The Uniform Law Commission is made up of federal and state child support officials and is the enforcer of the UIFSA.

Oversight notes the Uniform Law Commission is requiring each state to adopt the 2008 UIFSA by the end of the 2015 legislative session as a condition to continue receipt of federal funds supporting state child support programs. Missouri is currently out of compliance as our statutes include the 1996 UIFSA and the 2008 UIFSA. Missouri is currently set to lose our federal funding if the 2008 UIFSA laws are not the only ones enacted.

This proposal is removing the 1996 UIFSA laws in Missouri with the repeal of §454.850 to §454.999. Additionally this proposal is enacting the 2008 UIFSA laws in §454.1500 to §454.1728 effective upon passage of this proposal. **Oversight** assumes that these changes would bring Missouri into compliance and not have a fiscal impact.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
