FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Public Safety (Alcohol and Tobacco Control and Missouri Highway Patrol)**, **Office of the State Courts Administrator**, **Department of Corrections**, and the **Office of Prosecution Services** each assume the proposal would not fiscally impact their respective agencies.

For the purpose of this proposed legislation, officials at the **Office of State Public Defender (SPD)** cannot assume that existing staff will provide effective representation for any new cases arising where indigent persons are faced with the enhanced penalties for knowingly allowing a minor to drink or possess alcohol or failing to stop a minor from drinking or possessing alcohol. These offenses escalate from an A Misdemeanor to an E Felony.

While the number of new cases (or cases with increased penalties) may be too few or uncertain to request additional funding for this specific bill, the SPD will continue to request sufficient appropriations to provide effective representation in all cases where the right to counsel attaches.

Oversight assumes the SPD can absorb the additional caseload that may result from this proposal.

FISCAL DESCRIPTION

The enactment of the proposal would become effective January 1, 2017.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
