FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Public Safety - Missouri Highway Patrol**, the **Boone County Sheriff's Department**, the **Springfield Police Department**, and the **St. Louis County Justice Services** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Columbia Police Department** state this will require additional follow up investigation to enforce, resulting in additional case load for investigators. This will ultimately create a staffing obstacle, likely requiring additional staff.

Officials from the Cass County Sheriff's Department, the Platte County Sheriff's Department, and the St. Lois Metropolitan Police Department did not respond to **Oversight's** request for fiscal impact.

Oversight assumes local law enforcement could implement the provisions of this bill with existing resources.
