**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Office of the State Courts Administrator, Office of Prosecution Services, Department of Corrections, and the Department of Public Safety - Missouri Highway Patrol** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Attorney General's Office** assume that any potential costs arising from this proposal could be absorbed with existing resources.

Officials from the **Office of the State Public Defender (SPD)** state while the number of new cases received due to removing the statute of limitations on abuse or neglect of a child, may be too few or uncertain to request additional funding for this specific bill, the SPD will continue to request sufficient appropriations to provide competent and effective representation in all cases where the right to counsel attaches.
