FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Revenue**, the **Office of the State Treasurer** and the **Office of Administration - Division of Budget and Planning** assume this proposal would have no fiscal impact on their organizations.

Officials from **Department of Health and Senior Services (DHSS)** assumes the proposed legislation allows the Organ Donor Program Fund to continue to collect revenue designated through the income tax refund process and that the Organ Donor Program Fund provides the appropriation to operate the Organ Donor Program. DHSS assumes that without this proposal, the Organ Donor Program would be compromised by a reduction in the amount collected to the Organ Donor Program Fund which would result in program reducing educational efforts within the state.

Oversight notes the following schedule shows actual Organ Donor Program Fund receipts from the income tax check off since its inception:

FY 2012	\$ 8,775
FY 2013	\$11,505
FY 2014	\$11,737
FY 2015	\$23,425

Since the current law is not set to expire until December 31, 2017, **Oversight** will show a \$0 fiscal impact for FY 2017, and less than \$25,000 for FY 2018 and FY 2019.

<u>FISCAL IMPACT - Local Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019

FISCAL IMPACT - Small Business

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
