FISCAL ANALYSIS

ASSUMPTION

Oversight was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Officials from the **Missouri Consolidated Health Care Plan** assume the current proposal would not fiscally impact their agency.

Officials from the **Missouri Highway Patrol** defer to Department of Transportation for fiscal impact.

In response to a similar proposal from last session, SB 528, Oversight received the following responses:

Officials from the **Department of Health and Senior Services**, the **Missouri Department of Conservation**, the **Department of Social Services**, and the **Department of Insurance, Financial Institutions and Professional Registration** each assumed the proposal would not fiscally impact their respective agencies.

<u>FISCAL IMPACT - State Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019

<u>FISCAL IMPACT - Local Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019

FISCAL IMPACT - Small Business

FISCAL DESCRIPTION

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
