Fiscal Analysis

Officials at the **Office of the Attorney General (AGO)** assume that any potential costs arising from this proposal can be absorbed with existing resources. The AGO may seek additional appropriations if the proposal results in a significant increase in cases.

Officials at the **Office of the State Courts Administrator** and the **Office of Prosecution Services** each assume no fiscal impact to their respective agencies from this proposal.

Officials at the **Office of the State Public Defender (SPD)** assume the proposed legislation is likely to have no significant impact on the SPD, though it could possibly lead to increased use of experts and thus increased litigation expenses.

No direct fiscal impact to small businesses would be expected as a result of this proposal. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
