

COMMITTEE ON LEGISLATIVE RESEARCH
OVERSIGHT DIVISION

FISCAL NOTE

L.R. No.: 5243-02

Type: Original

Bill No.: HCS for HB 1713

Date: February 15, 2016

Subject: Waste-Solid; Natural Resources, Department of, Department of: Water Resources and Water Districts

Bill Summary: This proposal requires the Department of Natural Resources to provide information regarding advanced technologies to upgrade wastewater systems to meet any new or existing discharge requirements.

State Fiscal Highlights

- No direct fiscal impact on the state is anticipated.

Local Fiscal Highlights

- No direct fiscal impact on local political subdivisions is anticipated.

Fiscal Analysis

Officials at the **Department of Natural Resources** and **Department of Agriculture** each assume this proposal will not have a fiscal impact on their respective organizations.

In response to a previous version, officials at **Department of Health and Senior Services** and **Department of Conservation** each assumed the proposal would not have a fiscal impact on their respective organizations.

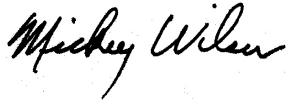

Officials at the cities of **Fulton** and **Kansas City** each assume this proposal will not have a fiscal impact on their respective organizations.

Officials at the counties of **Mississippi** and **St. Louis** each assume this proposal will not have a fiscal impact on their respective organizations.

ASSUMPTION (continued)

In response to a previous version, officials at the **Metropolitan St. Louis Sewer District** assumed the proposal would not have a fiscal impact on their organization.

No direct fiscal impact to small businesses would be expected as a result of this proposal. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
