FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Public Safety (DPS), Missouri State Highway Patrol (MHP)** state subsection 6 of section 475.602 requires a community service program that offers support services for families in crisis under this section to ensure that a fingerprint-based background check, a sex offender registry check (included with a fingerprint-based background check) and a child abuse and neglect registry check is completed for the attorney-in-fact and any adult members of his or her household prior to the placement of the child. It does not, however, specify if the fingerprint-based background check is to include a federal fingerprint-based background check. Therefore, the Criminal Justice Information Services (CJIS) Division is unable to determine the exact cost of the fingerprint-based background check or the expected number of fingerprint-based background checks to be completed on attorney-in-facts or any adult members of the household prior to the placement of the child.

However, the cost for a fingerprint-based background check, to include state and federal open and closed records, is as follows:

State fee:	\$20.00
FBI fee:	\$14.75
Applicant fingerprinting vendor fee:	<u>\$ 8.30</u>
Total fee per applicant:	\$43.05

Of these amounts, the state retains the \$20 state fee and \$2 of the federal charge of \$14.75 for a pass thru fee. The \$8.30 charge is paid directly to the vendor at the time of application.

Once the anticipated number and type of background checks to be completed under this legislation has been determined, CJIS will be able to estimate the amount of funds to be deposited in the Criminal Records fund under this proposal.

Officials from the **Department of Social Services, Children's Division, Family Support Division, Division of Youth Services, MO HealthNet Division and Division of Legal Services** and the **Office of State Courts Administrator** each assume the proposal would not fiscally impact their respective agencies.

FISCAL DESCRIPTION

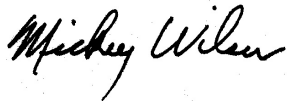

This act may be known as the "Supporting and Strengthening Families Act." It provides that during a child protective investigation if the child is at risk for possible removal the Children's Division shall provide information to the parent about community service programs that provide support services for families in crisis.

Community service programs for families in crisis must conduct a background check of an attorney-in-fact and any adult members of his or her household prior to the placement of the child.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
