- No direct fiscal impact on local political subdivisions is anticipated.

Fiscal Analysis

Officials from the **Department of Insurance, Financial Institutions and Professional Registration**, the **Missouri Consolidated Health Care Plan** and the **Department of Health and Senior Services** assume the current proposal would not fiscally impact their agency.

No direct fiscal impact to small businesses would be expected as a result of this proposal. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
