FISCAL ANALYSIS

ASSUMPTION

Oversight was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Officials from **St. Louis County** assume the proposal would not fiscally impact their agency.

For similar legislation from the prior session (SCS SB 302), officials from the **Department of Health and Senior Services** assumed the proposal would not fiscally impact their agency.
