**FISCAL ANALYSIS**

**ASSUMPTION**

Officials at the **Missouri Ethics Commission (MEC)** assume §130.034.7 requires funds of a candidate committee, campaign committee, debt service committee, or exploratory committee shall be invested in instruments allowing withdrawal without penalty in a time period of 6 months or less.

This change would require the MEC to do the following:

- Provide information to public officials and the public as specified in the Commission duties in §105.491, 105.955.14 (4), RSMo, about the new statutory requirements; examples include providing education, developing informational materials, and fielding telephone and email questions.
- Respond to written complaints, as established in §105.955.14, RSMo, through conducting investigations and any legal actions arising from those investigations. Any significant increase in complaints would require additional Commission resources, including investigative staff.

It is assumed this prohibition would result in a minimal number of complaints; however, if this assumption is incorrect the Commission would require additional staff resources.

<u>FISCAL IMPACT - State Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

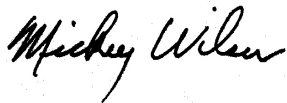

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
