FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Transportation** assume the proposal will have no fiscal impact on their organization.

Officials from the **Joint Committee on Administrative Rules** state this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

In response to a similar proposal from 2016, HB 2345, officials at the **Office of Secretary of State** stated that many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The Secretary of State's office is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to Secretary of State's office for Administrative Rules is less than \$2,500. The Secretary of State's office recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, we also recognize that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what our office can sustain with our core budget. Therefore, we reserve the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

FISCAL IMPACT - Small Business
