**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Department of Public Safety - Missouri Highway Patrol** assume the proposal would not fiscally impact their agency.

In response to a previous version, officials from the **Boone County Sheriff's Office** assumed the proposal would not fiscally impact their agency

In response to a similar proposal from this year (HB 1930), officials from the **Springfield Police Department** assumed the proposal would not fiscally impact their agency.

In response to a previous version, officials from the **Cole County Sheriff's Department** stated the fiscal impact is twelve times the annual reporting currently in place. Additionally, many reported domestic violence calls are unfounded. Reporting an unfounded call falsely inflates the statistics. My policy is that if domestic violence occurs, the primary physical aggressor is arrested.

**Oversight** assumes the proposal would not create an additional fiscal impact to local law enforcement agencies.

<u>FISCAL IMPACT - State Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

**FISCAL IMPACT - Small Business**

No direct fiscal impact to small businesses would be expected as a result of this proposal.

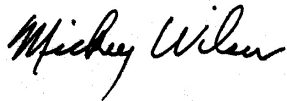

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
