## FISCAL ANALYSIS

### ASSUMPTION

**Oversight** was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Officials at the **Department of Health and Senior Services** and **Department of Labor and Industrial Relations** each assume this proposal will not have a fiscal impact on their respective organizations.

Due to time constraints, officials at the **Attorney General's Office, Office of State Courts Administrator, Department of Social Services, and Office of Administration** were not able to respond.
