FISCAL ANALYSIS

ASSUMPTION

Oversight notes this proposal creates a Missouri State Juvenile Justice Advisory Board to provide consultation and recommendations regarding best practices within the juvenile justice system. The members of the Board are to meet at least four times a year. The Board is to provide a written annual report of recommendations and activities conducted. Oversight assumes the creation and distribution of the report can be handled within the existing resources of the Office of the State Courts Administrator. Should there be significant costs the Office of the State Courts Administrator can seek additional resources through the appropriation process.

Officials at the **Office of the State Courts Administrator** assume there may be some impact but there is no way to quantify that currently. Any significant changes will be reflected in future budget requests.

Officials at the **Department of Social Services**, the **Office of Prosecution Services** and the **Office of State Public Defenders** each assume there is no fiscal impact from this proposal to their respective agencies.

Officials from the **Cole County Sheriff's Department**, **St. Louis County Justice Services** and the **Springfield Police Department** each assume there is no fiscal impact from this proposal.

In response to a previous version of this proposal, officials from the **Department of Public Safety's Missouri Highway Patrol** assumed the proposal would not fiscally impact their agency.

In response to a previous version of this proposal, officials from the **Boone County Sheriff's Department** and the **Jefferson City Police Department** each assumed the proposal would not fiscally impact their respective organizations.
