FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Transportation**, the **Office of Administration**, the **Department of Natural Resources**, and the **Office of the Governor** each assume the current proposal would not fiscally impact their respective agencies.

Officials from the **Department of Mental Health** defers to Office of Administration for fiscal impact.

In response to a previous version of this proposal, officials from the **Attorney General's Office** assumed that any potential costs arising from the proposal can be absorbed with existing resources.

Oversight will not reflect a fiscal impact from the conveyances as we assume it is an exchange of an asset (land and improvements) for another asset (sale proceeds).
