## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of the Governor**, the **Department of Natural Resources**, the **Office of Administration - Facilities Management, Design and Construction**, the **City of Kansas City** and the **Department of Transportation** each assume the current proposal would not fiscally impact their respective agencies.

Officials from the **Attorney General's Office** assume that any potential costs arising from this proposal can be absorbed with existing resources.

**Oversight** will not reflect a fiscal impact from the conveyances as we assume it is an exchange of an asset (land and improvements) for another asset (sale proceeds).
