FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Revenue** assume this proposal would have no fiscal impact on their organization.

Oversight requested additional information from Department of Revenue (DOR) officials, and we were advised that those officials believe the language in this proposal would codify current practice as to the taxability of delivery charges. Further, DOR officials assume the language in this proposal and current practice comply with the Missouri Supreme Court Decision in *Alberici Constructors Inc. v. Director of Revenue*.

Officials from the **Office of Administration - Division of Budget and Planning (BAP)** stated this proposal would clarify that the definition of gross receipts, as relating to sales tax, would not include delivery charges that are stated separately from the sales price, unless the parties intended to include delivery costs in the sale price.

BAP officials assume, based on information from the Department of Revenue (DOR) that this proposal would have no impact as that is current DOR practice.

Officials from the **Department of Conservation (MDC)** assume this proposal would have an unknown negative fiscal impact, but greater than \$100,000. MDC officials stated that Conservation Sales Tax funds are derived from one-eighth of one percent sales and use tax pursuant to the Missouri Constitution. The Department assumes the Department of Revenue would be better able to estimate the anticipated fiscal impact that would result from this proposal.

Officials from the **Department of Natural Resources (DNR)** did not provide an estimate of fiscal impact for this proposal, but stated that the Department's Parks and Soils Sales Tax Funds are derived from one-tenth of one percent sales and use tax pursuant to the Missouri Constitution. Therefore, any additional sales and use tax exemption would reduce revenue to the Parks and Soils Sales Tax Funds.

Officials from the **Office of the Secretary of State**, the **Joint Committee on Administrative Rules**, the **West Plains School District**, the **Jackson County Election Board**, and the **Kansas City Public Schools** assume this proposal would have no fiscal impact on their organizations.

ASSUMPTION (continued)
